

# See Us Young Carers in Education

How many of your students are looking after someone with a health problem? Let's talk.

**Wednesday 28th April 2021 14:00 - 16:30**  
**Virtual Teacher and Support Staff Webinar**  
**Free to attend**

Action for Carers Surrey and the University of Surrey's Widening Participation & Outreach Team invite you to join us on Zoom for an afternoon to hear from young people with caring responsibilities.

During the conference we'll:

- Explore the challenges Young Adult Carers face when trying to access education
- Share good practice
- Create an action plan for your institution to help this group of students succeed and progress

A small Staff Cover Fund is available to enable school/college staff to attend - details available on request, funding subject to availability.
