Young Carers of Stroke Survivors Needed for Online Study

**Are you 16 to 18 years old and
caring for a survivor of stroke?
You may be eligible for this study.**

08/05/22 – 31/08/22

We would like to talk to young people aged 16-18 about their experiences of helping to look after a loved one who is recovering from stroke. We will be asking about the support you need as you make your plans for your future life. We would like to talk to you in a short interview either online or by phone at your convenience.

Are you eligible?

- 16 to 18 years old
- Providing care for a stroke survivor
Living with a stroke survivor in the UK
- Fluent in English
