

I cannot believe that I find myself wishing you all a Happy Christmas! We have had the privilege and joy to meet with so many of you this year through Hubs, Fairs and online. Please do remember that we are just a call or email away and would love to hear from you.

We have also been looking at all the feedback you have sent us especially around increased support for mental health carers. We are now working with Surrey and Borders with a new pilot service, HomeFirst and will be able to share more around this and other new services in the next newsletter.

We have said 'goodbye' to Jamie Gault as our Chief Executive and now 'welcome' to our new Chief Executive, Tim Bevans who joined in November — more about him on the news pages of our website. Finally a warm welcome to new members of staff who have recently joined our team. Victoria Millar joining the HomeFirst service and Jo Purdey, in the Surrey Downs Hub team, all pictured right.

Wishing you all the best for a peaceful Christmas and new year, and I look forward to catching up with many of you in 2024.

With best wishes
Rachel Brennan

SCC budget review

Surrey want people's views on their plans for their 2024 budget, which of course includes spending on Adult Social Care and Children's Services.

Please tell them if they have got their priorities right as they work to balance their figures. Are the priorities what carers need?

www.actionforcarers.org.uk/news/surrey-county-council-budget-consultation/

Get in touch!

Don't forget that you can contact us for ANYTHING at all. There's quite a few carers that we don't hear from but would like to know that you are alright, so please contact us.

Or if you are not sure what our new service offer is, then join us for our online session, Introduction to ACS.

ACS Carer Feedback

Share your experiences of our services, and say how you think we could develop to meet needs.

Mental Health Workshop

Led by Julia Longrigg, CPA and Rachel Brennan ACS

Explore the issues of caring for a person with a mental illness, helpful skills and look at how a carer can be involved in care planning including crisis plans.

Being Well, Doing Well

Led by Taj Gilligan, from *Even Keel for Life*

Caring can be stressful but it's so important to look after you. This session talks about approaches to help you look after yourself better, physically and mentally, to help you feel more in control.

EVENTS INFORMATION

The events shown below will be repeated at different Hubs. So check under your local Hub to see the details of what's on there. Please register for events you wish to attend (details above).

Continuing Health Care

Led by Lesley Palmer

Making sure the Continuing Health Care form is completed correctly is essential to giving the best chance of getting an award. Get tips and hints on how to present the facts in the best way.

Lasting Power of Attorney and mental capacity

Led by Lesley Palmer

Dealing with the legal side of being a carer is easier with the right paperwork. This session looks at the basics of what needs to be in place and how mental capacity issues are looked at. You will understand how to make sure documents are both correct and not open to challenge.

A New Year's Resolution?

We would like to support you with a New Year's resolution as a carer to look after yourself.

We have many events and activities to help you do that, from wellbeing sessions, help on looking after your back, to trips out, like Hampton Court.

It's so important to look after YOU.

Are you registered with your GP?

It is important to let your surgery know you are a carer.

Ask at the surgery for a GP Carer Registration form (from Surrey NHS), or you can download a copy from our website (search 'register with your GP') or register on your GP surgery's website. There's also a form for young carers.

Simply fill in the form and hand it to the receptionist, and you will be recorded as a carer on your notes.

This is important, as GPs need to understand the impact of caring on your own health and how they can support you with flexible appointments and possibly a personal health budget for a break away from caring.

Could you go digital?

It's much cheaper for us to email this newsletter, rather than print and post it.

If you're happy to receive it digitally, please email CSAdmin@actionforcarers.org.uk to say so. **THANK YOU!**

Music: remembering dementia

Former carer Malcolm Duff who now lives in France has found creativity very helpful when he was caring for his wife who had Alzheimer's.

He wrote a book called 'The Escorts' describing the impact of the disease, and a 'survival kit' explaining how he addressed the problems. He's a musician and has also produced an album, (also called The Escorts) and lyrics from the tracks are from the book.

A video was recorded with The Memory Choir (UK), whose singers all have Alzheimer's disease. The video, the book and the album of songs

accompanying it can be found here: <https://malcolmduff.bandcamp.com/album/the-escorts> You can get a discount and buy the album for €12 rather than €15 by using the code "alzheimer" (lowercase) on checkout.

Sock snowmen!

Congratulations creative carers! We've been holding relaxing craft sessions at the Hubs, including making 'festive sock snowmen', with some outstanding creations! Keep an eye on our events for more such fun sessions at the Hubs in '24.

Benefit Adviser

ACS are now able to offer you support with completing the following forms:

- Disability Living Allowance (DLA)
- Personal Independence Payment (PIP)
- Attendance Allowance
- Carer Allowance
- ESA capability for work if needed

CAB are still commissioned to support with Universal Credit.

If you need support then please contact our Helpline who will ask a CSA to make contact with you to find out more about the help you need and then arrange for our Benefits Advisor Amanda to meet with you.

After any support we will ask for feedback, as this evidence will help us make the case for more provision of benefits help.

Support in Surrey's hospitals

Our Hospital Carer Advisors can help you when your loved one is in hospital. They can bridge communication gaps and offer advice, information and emotional support, as well as help with discharge.

Electrical devices — keeping safe

We all need to charge up electrical devices—from phones and tablets to things like hearing aids and wheelchairs. You are probably aware that it's important to do this in the day time, when you are at home, so you can spot any problems.

Surrey Fire and Rescue stress it's important not to charge things like phones overnight, especially on soft surfaces. This is a big fire risk. If you have to charge something overnight in an emergency, do so on a hard surface, ensuring all edges are uncovered to allow air circulation.

If you'd like help, Surrey Fire can offer a 'Safe and Well' visit, for yourself or someone you care for, **you can simply call 0800 085 0767 or visit www.surreycc.gov.uk/safeandwell** The team will provide personalised fire safety advice, and if necessary supply and install fire safety equipment free of charge.

Historic Royal Palaces

Historic Royal Palaces have introduced a new low-cost entry scheme for people receiving Universal Credit and other benefits, which will apply to quite a few carers in Surrey. You could explore the home of a young Queen Victoria at Kensington Palace, or visit the ravens at the Tower of London.

For more, visit <https://www.hrp.org.uk/one-pound-tickets/>

Want help to get online?

We are part of [Surrey's 'Tech Angels' scheme](http://www.surreycoalition.org.uk). Run by Surrey Coalition and supported by us, its aim is to get people comfortably online. The project is in two halves. Firstly the team get people online. That usually means a free loan of a device (like a tablet, or laptop). The person gets to keep the device for a year (or more).

The second part of the project is the actual 'Tech Angels'. These are fantastic volunteers who provide bespoke learning sessions – teaching people how to get online and do the basics. (That's things like video calls, shopping, or ordering prescriptions online.)

You can call to sign up 01483 456558 or register here <https://surreycoalition.org.uk/areas-of-work/technology/ttcc-participant-registration-and-agreement/>

Jointly App — designed for carers

The Jointly app makes life easier for carers. Features include group messaging, to-do lists, calendars and medication lists. All designed for unpaid carers by [Carers UK](#)

"Looking after someone can be so complicated. Jointly helps me stay on top of things and share information easily with everyone involved in my son's care." Use SCC's free access code DGT3562. Visit Jointly <https://jointlyapp.com/>

Phone scam help

Is the person you care for vulnerable to phone scams? 'trueCall' is an easy to use, plug-in device supplied by Surrey Trading Standards, that allows known phone contacts to get straight through, but screens other, unknown callers.

People who are susceptible to unsolicited, nuisance or scam calls may get a device for free. Call Buckinghamshire and Surrey Trading Standards on 0300 123 2329. <https://www.surreycc.gov.uk/business/trading-standards/consumer-advice/rogue-traders-scams-and-cold-callers/phone-fraud-and-nuisance-callers>

"The trueCall device has made such a difference to my elderly mother (98) and my disabled sister (70) as they can now answer the phone with confidence. As their carer I have peace of mind knowing that nobody can get through who they don't know. They were victims of a scam and the phone is now one thing I do not have to worry about." Mrs L, Addlestone

Autism Central

NHS England has a new autism peer support programme. It aims to build knowledge and understanding of autism and empower families and carers to advocate for autistic people

they support to get the right understanding and adjustments in place across the services they use. Multiple regional hubs will deliver one-to-one and group sessions, complemented by online learning and information. More here <https://www.autismcentral.org.uk/>

Young carers' life chances

The All Party Parliamentary Group has fed back on its enquiry into the lives of young carers and its evidence shows just how disadvantaged some young people can be by the caring role, especially when they lack the proper support. Findings included that:

- Being a young carer has a knock-on effect on school attainment and attendance, with young carers missing on average 27 school days a year.
- Young adult carers are substantially (38%) less likely to achieve a university degree than non-caring peers.

See us, support us

A Children's Society video vimeo.com/859371427/276462c8db aims to help helping professionals understand who young and young adult carers are, and how important it is to communicate properly with them. Young carers led the video creation, from the original idea, messaging, scripting and filming.

Stroke workshops...

Do you care for someone who's had a stroke in the past few years? Surrey Downs in partnership with the Stroke Association have workshops coming up. Called 'Life After Stroke' sessions are both for people who've had a stroke and carers.

They take place in Ashted on February 14th & 22nd, 10-1pm; March 13th 10-1pm & 20th March, 12-3pm; May 16th & 23rd, 10-1pm; June 13th & 20th, 10-1pm.

Sharing your views and experiences

Many consultations and studies want to hear from carers.

Please take a look at our consultations/research page. Many universities and other organisations wish to hear from unpaid carers like you.

Open surveys from Surrey include:

- Pressure ulcers on dark skin
- Surrey's transport for SEND children
- Supporting people with long term conditions

And running nationally, there are surveys into:

- Caring for someone with psychosis
- Research into the arrest of people with learning disabilities
- Research into minimally verbal/non-speaking children
- Looking at aggression in caring when the person has a severe mental health issue

Support for the whole family

Action for Carers Surrey is here to support the *whole* family where there's caring roles going on.

Many families will have more than one person caring, and these can be adults or children.

If there's a child in your household who's also caring, please let them know about our 'Surrey Young Carers' service offering information, tailored support, help at school and events.

Our **volunteer team** is growing but we'd love more! We've a wide variety of roles available - *all helping Surrey's unpaid carers*

Holiday closure

Action for Carers will be closed over the Christmas holidays.

We close on Friday 22 December and re-open again on Tuesday 2nd January, with our Hubs reopening from the following week, 8th January onwards.

If you need emergency help, we have some numbers on our out-of-office phone message, but lots more information on our website. Please take a look at: www.actionforcarers.org.uk/christmas-support-from-ac/

There's information on where to go for emergency help, for safeguarding issues, for mental health concerns and more.

You'll also find details of some other things that are open, for example Sight for Surrey and the Surrey Coalition of Disabled people are holding a joint online 'chit chat' on Christmas Day!

We look forward to catching up with everybody again in the new year.

Action for Carers is here for you. If you haven't yet registered with us, please do. We offer a whole range of advice, support, information and events. Call **0303 040 1234** or email carersinfocentre@actionforcarers.org.uk Or you can register on our website: www.actionforcarers.org.uk/register-with-us/
