

Young Carers Action Day

Wednesday 13th March 2024

Being a young carer should not be a barrier to learning, earning or being able to get on in life. But for many young people it is.

If you don't get identified at school or college, the pressures of caring can make you fall behind, and limit your future choices, including for uni/work, where lack of support also means many young carers drop out.

BUT THIS DOESN'T NEED TO HAPPEN!

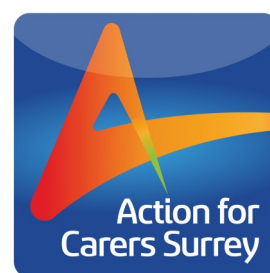

This Young Carers Action Day join us to work for Fair Futures for all young carers in Surrey.

We can advise, train and provide resources to help you better identify and support young carers (aged up to 25), whether you're a school, college or employer.
