

Are you one of the many Surrey carers struggling to pay your basic household bills?

The Household Fund is provided by Government and distributed to local organisations. Action for Carers has been allocated funds.

Our allocation is for unpaid family and friend carers registered with us who are struggling to pay for food, fuel, water, or other essential bills. We are one of several organisations distributing these funds in Surrey.

If successful in your application, you will receive a small grant to help with your bills.

To get help

As a carer registered with us, to find out more or apply, please call on 0303 040 1234, option 1, or email CSAdmin@actionforcarers.org.uk.
