Hear advice from finance and legal experts around later life care that everyone should know.

Unlike NHS healthcare, social care is not free for most people.

Professionals from the Society of Later Life Advisers and the Association of Lifetime Lawyers will help you, or a loved one, consider options to avoid issues in a crisis.

- When you need to pay for care
- Different ways to finance what you need
- What to look for in private care contracts
- Lasting Powers of Attorney
- Deputyship ...and much more
