National Autistic Society | Neuroinclusive Education Network

Suitable for all Ages

Making Sense of Neurodivergence

This module is an awareness-raising module that introduces neurodivergence and the areas of difference, which can include: Social Understanding and Communication, Flexibility, Information Processing and Understanding and Sensory Processing and Integration, among other things.

2.5 Hours

Cost £FREE per person

Who is this training for?

This module is for **anyone** working or living with a neurodivergent person, whether they be parents, carers, teachers, learning support assistants, school meals supervisors, school business managers, site staff or office staff. This module would also be suitable for taxi drivers and school escorts.

What will you learn?

The training will support delegates to:

- Understand that neurodivergence is a difference rather than a deficit or disorder.
- Recognise areas of difference in neurodivergence and how these can affect neurodivergent pupils.
- Listen to and learn from the perspectives of neurodivergent pupils and their parents/ carers.
- Reflect on their practice and implement reasonable adjustments to support neurodivergent people.

- Developed by leading autism specialists
- Up to date with the latest research
- Enhances your CPD
- Resources and frameworks linked to Ofsted
- Optional certification
